### Past Performance

NAICS Codes Primary: 541519 | Secondary: 334513

- **Defense Logistics Agency (DLA) - Warehouse Management System (WMS):** Responsible to deliver the largest SAP Extended Warehouse Management (EWM) and Transportation Management (TM) deployment in the DoD over a multiyear partnership setting them up for Industry 4.0 solutions of the future.
- **Petrosea - Enterprise Asset Management (EAM):** Implemented state-of-the-art Predictive Maintenance allowing for top tier asset performance with real time data, advanced analytics, and continuous improvements for a sustainable future.
- **Caterpillar - Constrained Supply Chain and Supply Base Management:** Provided on-site support at constrained suppliers across the globe to evaluate and drive performance improvements. The support provided included value stream mapping, lean/CI, OEE, manpower planning, scheduling, maintenance, training, recruiting, leadership, performance management, quality, capital projects, and systems usage.
- **Rivian - ERP Implementation Consulting and Industry 4.0 Services:** Conducted SAP ERP implementation and business optimization services to support Industry 4.0 solutions and building the foundation for sustainability.
- **Swagelok - Common Operational Picture (COP):** Implemented a platform solution allowing for shop floor to top floor connected production, quality, and maintenance data in a user tailored experience view including automatic monitoring and self-service reporting capability to eliminate nonvalue activities, improve productivity, and reduce defects.
